

**GLEICHEN FLOUR MILL WILL BE THREE STORIES HIGH**

People in the district and town of Gleichen are rejoicing over the assurance of an up-to-date flour mill the basement of which has already been completed and the lumber and machinery for the main part of the building now in transit.

The mill will be 28x44, three-story and basement, covered with galvanized metal. There will be a driveway and receiving scale at one end of the building and a heating plant forty feet in the rear.

The process of milling is that known as the long system and the quality of flour will equal the product of any of the large mills. It will be capable of an out put of seventy-five barrels per day. There will also be a feed-grinding mill in connection.

The mill is being built and will be operated by A. C. Robertson & Co. Limited who have for the past few years been building elevators for the grain trade throughout Alberta. Mr. Robertson is an experienced grain man having been more or less closely connected with the grain business for over thirty years, while Mr. Henderson the miller has been milling grain for an equal length of time.

The weather is now somewhat unfavorable for building but Mr. Robertson states that everything possible will be done to have the mill complete by the end of December.

**ST. ANDREW'S CHURCH 45TH ANNIVERSARY NEXT SUNDAY**

The little church of St. Andrew's is celebrating its 45th anniversary. It is about to celebrate her 45th Anniversary.

To enable her to do this we have obtained the promise of two of the most able pulpits men of Alberta, namely Right Rev. L. Ralph Sherman, D.D. Lord Bishop of Calgary who will preach on Sunday, Nov. 22nd, at 7:30 p.m. and the Rev. Canon Gale, the popular Rural Dean of Calgary, on Sunday, November 29th, at 7:30 p.m. Weather permitting he will also conduct a special service for children and young folk at 3:00 p.m. We are looking forward with great expectancy to the visit of these gentlemen.

Please make an effort to come.

**OBITUARY**

After an illness of some four years Edith Robson age 11 years and seven months died early Saturday morning November 14th, at the home of her parents, Mr. and Mrs. Chas. Robson, north of Cluny. The funeral took place Monday afternoon at two o'clock from St. Victor's Church to the Gleichen Catholic cemetery with Rev. F. J. Arsenault conducting the services.

Ida May Leadbeater, the only daughter of Mr. and Mrs. Warren F. Leadbeater of Shouldice died Sunday at the home of her parents, at the age of six and a half months. Death came after a short illness of pneumonia. The funeral took place Tuesday afternoon to the Gleichen cemetery with Rev. J. R. Davies conducting the services. Among the floral offerings were:

Father and mother and brothers; Mr. and Mrs. McCorkle, Medicine Hat; Grandpa and grandma Leadbeater, Shouldice Community Club, Uncle Alvin, Bert, George and Aunt Estella.

Those who predicted a mild winter this year seem to have guessed wrong already. The cold wind of Saturday with a little snow blowing from the north and the cold every day since made most people think that this was winter in earnest and that there is no place more pleasant than a warm cosy room with a roaring fire.

Bill Pettit of Hussar was a Gleichen visitor for a day or so recently.

**BAPTIST CHURCH TO BE ERECTED IN GLEICHEN**

The work of cleaning out the old Palace Hotel basement, of rubbish left from the fire some years ago, has been completed and as soon as certain details are completed the construction of the new Baptist Church for Gleichen will commence. The church will be built on the west side of the old hotel site. The cement walls of the basement are still standing intact, and will be used for the building to rest on. A small section of cement wall will have to be added in order to entirely enclose the basement.

The church will be 64 feet long by 29 feet wide, of wood construction with a full basement. The entrance will be by double doors with cloak room just inside with an entrance to the basement. The auditorium will be 26x13 feet, at the rear will be a platform and baptistry, also two classrooms each 12 feet by 13 feet 9 inches long opening off the baptistry. There will also be a rear entrance to the basement. The building will be erected entirely by volunteer labor by members of the church.

**FIND OLD PAPER WITH GLEICHEN NEWS OF 1894**

While moving out of the old Indian office, on the Blackfoot reserve, to the new office erected some months ago Indian Agent Gooderham found a Calgary Herald dated March 13, 1894, thirty-seven years old. Upon looking it over we found the following interesting story of a Blackfoot Indian under the heading of "A Good Indian." "A day or two ago the body of an Indian was found on Nose Hill east of the city, enclosed in a box. Word was brought into town and the Indian being said to be a Blackfoot, Major McGibbon wired to Mr. M. Begg informing him of the fact. Yesterday morning Mr. Begg accompanied by Drs. Porter, coroner and McDonald, visited the scene, Major Jarvis kindly providing the transport with a number of policemen in order that any steps seen to be necessary might be at once taken. An Indian prisoner was also taken to the spot in order to assist in the identification of the remains. The doctors after examination found the Indian to have been a young man about 30 years old and that he had died from natural causes. The Indian identified the body as that of Running Wessel who died across the Bow last fall, the remains being placed the position they were found by the well-known Deerfoot at the request of the deceased when dying. He wanted, he is reported to have said, to be put where he would see the great city grow beneath his feet. He was married to a Sarcee squaw and spent his time between the two reserves so he was not missed from either. He was buried underground by the police interpreter yesterday afternoon. Though now dead some months decomposition had not begun to set in, the body being perfect."

In the local column the following is noted. Mr. Magnus Begg, Indian agent on the Blackfoot reserve, has returned from Mid-Win-Fair, and like all other who have been visiting California from Alberta is glad to get back again.

Evidently times were hard that year for we read. "The C.P.R. are carrying until April 15 next, Nos 1 and 2 red life wheat, Nos 1 and 2 white oats and two and six rowed barley between stations on the main line from Whittemouth to Calgary and on all branch lines in Manitoba and the Territories at half tariff rates, where the grain is required for seed."

The twins had been brought to be christened.

"What names?" asked the clergyman.

"Steak and Kidney," the father answered.

"Bill, you fool," cried the mother "it's Kate and Sydney."

**Town Councillors Transact Much Business**

At the last council meeting at which all the councillors and mayor were present a considerable amount of business was transacted. The following visitors were present F. Jones, G. Gooderham, E. Griesbach, J. Boyd, F. Pobst, M. Bolinger, A. Robertson and J. E. Lester.

Messrs. Gooderham and Jones extended an invitation to the council to be present at the meeting at the Community Hall from 10 to 11 a.m. on Remembrance Day. The council accepted the invitation.

Mr. Boyd, representing the curling club and skating rink asked the town to take over the skating rink on the conditions of the last two years. The main object of asking the town to take over the rink was so that the young people could skate. On motion of Councillor Moss and MacCallum the council decided to take over the skating rink on the same basis as the last two years.

F. E. Pobst and M. Bolinger represented the Gleichen Baptist Church. They had found a location for their church in the old Palace Hotel property which suited them better than lots 1-3, Block 1, and they would like to have these lots instead, in exchange for lots. They were ready to proceed with building and what part of the basement they did not use they would fill in as soon as convenient. Plan of building proposed was submitted to the council.

Coun. Menard and Thompson: That we rescind the previous motion regarding giving in exchange of lots 1-3, Block 1, for lots 1-4, Block 9, with Gleichen Baptist Church and exchange lots 17, 20, Block 2, Plan 249B, for lots 1 and 4, Block 9 with Gleichen Baptist Church on same conditions as to payment of taxes as in previous motion (with rental statement that taxes will probably be paid in cash). The council gave assurance that the necessary changes in building restriction adjustments will be made.—Carried.

A. C. Robertson was present in regard to a site for a 75 barrel flour mill. He has visited several towns but he would prefer to come to Gleichen. He wanted a site and the old Bates Garage property with the two adjacent town lots would suit him first rate. He was not asking any special concessions although he was informed our taxes were high. Elevators were taxed \$1,000 to \$2,000 in Gleichen he had been told. It was shown to him that this was not so. Taxes on a mill such as he intended to put up would be with business tax included at this year's mill rate \$164.74. This was about the same as in other towns.

Mr. Griesbach has several complaints to make to the council. The lots left by Mr. Ried were in a bad condition. He did not approve of the shanty by-law. The old Chinese restaurant behind the old blacksmith shop also

**NEWS ITEMS OF TOWN AND DISTRICT**

These cold days are busy days for the coal dealers and their husky coal handlers.

You can get some real bargains at the Gleichen stores by watching their advertisements in the Call.

Ronald Greer, of Calgary spent Remembrance Day visiting at the home of his parent Mr. and Mrs. J. Greer of Gleichen.

The ladies of St. Victor's Church are holding their annual Fowl supper in the Community Hall dining room on Thursday, November 26th, at 6 p.m.

T. H. Beach is holding an auction sale in his store on Saturday, Nov. 26. If you have anything to dispose of leave it with Fred Jones.

Most of the young people spent the

seemed to be on his mind for some reason or other. He finally left the meeting and business was resumed.

The secretary reported having advertised property for sale under the Tax Recovery Act. All the trees on the streets had been watered.

Dave Wilson applied for purchase of the lots north of his property. This brought up the question of the value of vacant lots. It was the opinion of the council that a value should be put on all lots so that anyone wanting a lot would know at once how much it would cost. However it was finally decided that the part of the block south of Reid in Block 6 should be sold first and parcels should consist of 3 lots for building purposes. The lots south of Trego's property should also be valued 3 for a building site and 1 for sale to W. D. Trego.

The wind had handled the stop and danger signs a little bit rough.

Coun. MacCallum and Haakayne: That we put the stop sign on the right hand side of Crowfoot street going east before it comes to the main highway and that the danger sign be placed on the main highway north from Crowfoot Street. Both signs to be placed on iron stands.—Carried.

It was reported that a man by the name of Harrison had come in from Ed. Hallowell's and was staying at Jun Ka's. Secretary was instructed to see that the account was not charged to the town and advise Blackfoot M. P.

Re Alec McDonald a letter had been received from the General Hospital advising admittance etc. Letters ordered filed. Correspondence was also had with the Associated Physicians Calgary. The secretary had advised them that the town had nothing to do with this. The secretary was instructed to find out from I. Gove what has been done and that the town write the B.E.S.L. Local Branch stating the case of A. McDonald and requesting that the town should be released from this charge as it is entirely unfair and that copies of the letter be sent to Premier R. B. Bennett and E. J. Garland, M.P., requesting them to look into the case.

Re Felix Desjardine starting butcher business, the secretary brought this up as the question of school taxes was involved. He had come to town in the first place to have his children go to school and was liable for the high school fee of \$40. and the Gleichen School Board for \$30.00. If he started a business and paid business tax he would then be free from this tuition fee. It might be that he would only operate during the winter.

The auto camp cook house was on one of the lots transferred to the Gleichen Baptist Church. It was distinctly understood that this was not included in the transfer. It was decided that if the building was not in their way that it would be left until spring time.

week-end skating on M. Bolinger's slough. The hockey boys are also getting into shape for the coming season.

Remembrance Day in Gleichen was quietly spent by most people. The day day reminded one more of Xmas day than anything else.

Several gentlemen have been visiting Gleichen this week in response to advertisements in a matrimonial journal. If you want a first-class up-to-date husband just try this paper for a few weeks.

Ensign and Mrs. Sutherland recently attended the Salvation Army annual provincial congress at Edmonton and report very interesting and helpful councils conducted by Commissioner and Mrs. Henry. The Sunday afternoon public meeting was held in the new Masonic Temple, at which many civic officials attended. The

**QUEER QUINTON'S QUILL**

Though thirteen years have passed since he close of the Great War, it is very evident that Gleichen has not forgotten the tragedy nor has the names of those who served faded from her memory. Once again she had paid herself a tribute in gracious manner in which her citizens supported that short but impressive service.

The word "holiday" betrays its ancestry, holy day. It was, in most cases, secured for the people by the church that they might cease their regular labor and have at least the afternoon for gay times. It very early became an influential means in cultivating community life. On these occasions everybody did the same thing at the same time.

A disheartening feature of modern life is the tendency to feel bored or such occasions. Because we expect the crowd to do one thing, then we must do something else and so the crowd is lessened or broken up and the enterprise falls down for want of support.

But July 15th, and Remembrance Day have shown that our citizens are not made of this kind of material. So long as a town can move with such unity of action there is very little cause for fear regarding the future. And incidentally, this suggests the question of Wednesday half holiday. Granted that originally this was a break in the week in summer that help might leave the sultry atmosphere of office or store. And we grant that it has at least saved nerves if not lives during this season. But very happily, it has taught our folk to play. And surely curling and hockey run close seconds to baseball and golf. And the closed car and the heated garage makes the neighbor's dinner as good by winter as by summer. And why will it not serve its purpose as well in January as July. If business and trade will only pull together it can easily be accomplished with loss to neither. Come let's go.

same being broadcasted. Ensign and Mrs. Sutherland were entertained at the home of Major and Mrs. Habbkirk while in Edmonton.

Mr. and Mrs. J. E. McCorkle of Medicine Hat were in town for a short time Tuesday afternoon. Many will remember Mr. McCorkle when he resided here some years ago and was manager of the Revelstoke Lumber Yards.

Ice is being made these cold days at both the curling and skating rinks. It will not be long now till all roads will lead in the direction of the rink from where will issue the gleeful yells of the lovers of cold weather sports.

The two "Macks" Russell McQueer and Billy McConnell, have hauled a way tons of drifted soil from around their places of business and levelled off the ground. This is all in line with the plan of beautifying the town. Next year carriages will be planted by the C.P.R. from near the station to the home of D. Johnston.

Believe it or not, but nevertheless it is true, that there are people in this town who are actually in need of clothes. If you have any wearing apparel, clothes, shoes that you do not need leave them at the town office. The council will see to it that the clothing will reach the needy ones. Take a look over your old clothes and see if there is something you do not need.

The Board of Trade committee who are looking after the details of the Old Timer Ball are busy gents these days getting the many hundreds of invitations addressed and ready to be posted. Some people are bound to be overlooked when the invitations are sent out which is not done intentionally. If you do not get one you are invited to come to the dance anyway. Posters will be up in a few days inviting the world to come. There

## Town & District

Born to Mr. and Mrs. C. W. Holstead on November 11th, a girl.

St. McKay, Gleichen star hockey player spent a day in Calgary last week visiting his parents.

Mr. and Mrs. Ramberg and son Vis of Meoma spent the week-end visiting their daughter Mrs. Sather.

The Alberta Association of registered nurses have postponed their convention until early in the spring of 1932.

The 22nd Battery paraded in Calgary on Remembrance Day and with the rest of the soldier boys made quite an impressive sight.

Miss Irene McBean, R. N. of Municipal Hospital staff, Stettler spent the week-end at the home of her parents: Mr. and Mrs. Duncan McBean.

The picture show for next Tuesday is "Children of Pleasure." It's a picture that catches the true abandoned spirit of youth in society's faster set. Be there on time. It's a real treat.

Keep the date of Dec. 4th, in mind for on the evening of this day Robert Gardiner will speak at the Meadowbrook Hall. We hope to give more details of his coming visit in a later issue.

Mr. John R. Clark, of the Clark Ranch, Crowfoot Creek was the lucky holder of the Ticket which took the Gold Watch in the Ramsay Sale contest. His ticket 287 did the trick.

The ladies of the Eastern Star are putting on a whist drive, on Friday evening, November 20th, in the Masonic Hall. A charge of 35c. will be made. All are invited to attend. At midnight a lunch will be served.

A very good crowd attended the Remembrance Day dance in the Gleichen Community Hall last Wednesday evening. The boys of the Gleichen branch of the B.E.S.L. report that they came out on the right side of the ledger. All who attended the dance report having had a good time and that the music supplied by Simpson's orchestra of Bassano was highly satisfactory.

The Gleichen Athletic Club will hold a meeting in the Community Hall Club Room on Monday, November 23rd, to decide the future course to be adopted and to elect permanent officers. The club has many names on its roster who took an active interest in its formation and there is a fair sum of money on hand and the management feels that these members should decide as to the disposal of these funds. It is hoped that there will be a representative attendance.

There are people who swear by all the known Saints that it does not pay to advertise, that it is simply throwing money away. Then why do firms who know how to make money, throw away hundreds, thousands, nay hundreds of thousands of dollars each year for advertising? They doubtless get a great kick out of throwing money away. No doubt the fellow who does not believe in advertising absolutely refuses to wear advertised clothes, eat advertised grub or sleep on advertised beds.

Mr. Seymour, provincial town planning officer was recently in conference with the Gleichen Town Council. At this time Mr. Seymour submitted plans for the development of the town of Gleichen including its beautification and extension. Mr. Seymour will also address Gleichen in the near future in the Community Hall, at which time he will speak on the many questions which arise from the ratepayer's point of view with regard to the establishment of local parks, the planting of trees on the streets and the general planning of a town with regard to its water system, sewers, sidewalks, streets and avenues etc. This public lecture should prove to be most vital to Gleichen residents and no doubt will be attended by a great many.

### CARD OF THANKS

Mr. and Mrs. Leadbeater wish to thank the people of Shoultice and vicinity for the many kindness shown them in the loss of their daughter Ida May.

### UNITED CHURCH

Rev. V. M. Gilbert, Minister.  
SUNDAY, NOVEMBER 22

11 a.m. Church School

7:30 p.m. worship.

This is Young People's night in the United Church and the minister will deal with some young folk's problem.

## Here and There

Maple sugar and maple syrup produced in Canada in the spring of 1931 had an estimated value of \$3,527,700 of which the former accounted for \$330,800 and the latter for \$2,904,900. The Province of Quebec is the largest producer in the Dominion.

Following a long succession of shipments in an experiment commenced a year ago, thirty-five cars of beef cattle, the bulk of them for British consumption, left Winnipeg recently by special Canadian Pacific train for the Atlantic seaboard for shipment to Great Britain.

Thousands of salmon recently "took the elevator" on their way to the spawning grounds in the upper sections of the Stamp River, British Columbia, when they used the fishway built by the Canadian Government, Department of Fisheries to overcome the tumbling waters at Stamp Falls.

With the departure on October 1 of the big Sikorsky amphibian plane for Boston, the Pan-American Airways concluded their service between Boston and Halifax which was inaugurated August 1. In August, 70 passengers were carried on the southbound trips and 67 northbound in 13 flying days.

Manitoba's threshing was practically complete for 1931 in the first week of October, according to the weekly crop statement of the Canadian Pacific Railway department of agriculture. Saskatchewan was then 61 per cent. threshed and Alberta 55 per cent. with northern areas in each province still holding heavy crops ripening for the machines.

His Excellency the Earl of Bessborough, Governor-General of Canada, together with his eldest son, Viscount Duncannon, have in view hunting and fishing trips in New Brunswick next year. During his recent visit to the province, His Excellency was presented with a complimentary hunting and fishing license by Hon. C. D. Richards, Premier of New Brunswick.

Completion of organization work of the Dominion Agricultural Credit Company was announced recently by E. W. Beatty, chairman and president of the Canadian Pacific Railway, who stated that "subscription to over sixty per cent. of the capital stock of the company have been received and the requisite steps to complete the organization have been taken." Head office of the company will be in Regina.

The new dental car, built by the Canadian Pacific Railway and equipped by the Rosedale, Toronto Chapter of the I. O. D. E. was turned over for use in Northern Ontario to the Ontario Government recently. This car, claimed to be unique on the continent, will have running rights over all railway lines in Northern Ontario and is equipped with fully modern dental facilities, waiting room, living accommodation, laboratory, consulting room, clinic and dental chair.

The number of Canadians who are part owners of the Canadian Pacific continues to increase. A year ago, on September 2, the total number of the company's Canadian stockholders was 28,135. On September 1 of this year the number had grown to 35,217, an increase of 9,032 shareholders. Many of these have been added since the recent break in the security markets carried stock prices to new low levels, indicating that Canadians have confidence in the country's ability to come back to prosperity. (78c.)

The newspaper is a law book for the indolent, a sermon for the thoughtless, a library for the poor and admonisher for the lawless. It may stimulate the most indifferent, but it cannot be published without cost and sent free to subscribers. This is no joke.
